Carillon 1999

Methodist College
Fayetteville, North Carolina
Volume XXXVI

"The Song Remains the Same..."

But the memories make it all worthwhile... Each day we go to our classes, attend this meeting or that one, and grab a bite to eat along the way to practice. We take quizzes, write papers, present our ideas, and study for exams. All along the way we meet friends, share laughter and tears, and make memories. As time goes by, these will be what each and every one of us will remember, not the tests or the quizzes. These are memories for a lifetime.

The Reverend Carrie Parrish

Thank you for your kind words of encouragement, your demonstration of strength, and your willingness to laugh with us.

"Many of you know that I will be leaving in June. While this circumstance was not my decision or choice, I do take with me wonderful memories, cherished relationships, and innumerable blessings. I have enjoyed my work and sought to do it with integrity. I have loved the people and tried to be a good pastor. Together, we have built a solid and diverse campus ministry program.

My life is so much richer because I've been here. Thank you for your love and acceptance. Stay in touch. Strive to be and do what God asks of you. Support your next chaplain. Take care of each other. God keep you."

Reverend Parrish implemented several ministry programs at Methodist College. She began taking students on mission trips over the fall and spring breaks. She also began the Host Family Program which pairs freshmen with local families. The Monarch Movers program was also started by Reverend Parrish.
